BE IT ORDAINED AND ENACTED BY THE TOWNSHIP COMMITTEE OF THE TOWNSHIP OF NEPTUNE, IN THE COUNTY OF MONMOUTH, STATE OF NEW JERSEY (not less than two-thirds of all members thereof affirmatively concurring) AS FOLLOWS:

SECTION 1. The improvements or purposes described in Section 3 of this bond ordinance are hereby authorized as general improvements or purposes to be undertaken by the Township of Neptune, in the County of Monmouth, State of New Jersey (the "Township"). For the said improvements or purposes stated in Section 3 hereof, there is hereby appropriated the sum of \$500,000, said sum being inclusive of a cash down payment for said improvements. Such cash down payment shall be in the amount of \$264,194, consisting of an appropriation of a \$264,194 New Jersey Transportation Trust Fund Grant (the "Grant") received or expected to be received for the improvements or purposes described in Section 3 of the bond ordinance, which Grant satisfies the down payment requirements under Section 11 of the Local Bond Law (N.J.S.A. 40A:2-1 et seq.).

SECTION 2. For the financing of said improvements or purposes described in Section 3 hereof and to meet the part of said \$500,000 appropriation not provided for by application hereunder of the cash down payment, negotiable bonds of the Township are hereby authorized to be issued in the principal amount of \$235,806 pursuant to the Local Bond Law. In anticipation of the issuance of said bonds and to temporarily finance said improvements or purposes, negotiable notes of the Township in a principal amount not exceeding \$235,806 are hereby authorized to be issued pursuant to and within the limitations prescribed by the Local Bond Law.

SECTION 3. SECTION 4. In the event the United States of America, the State of New Jersey, and/or the County of Monmouth make a contribution or grant in aid to the Township, other than the Grant, for the improvement and purpose authorized hereby and the same shall be received by the Township prior to the issuance of the bonds or notes authorized in Section 2 hereof, then the amount of such bonds or notes to be issued shall be reduced by the amount so received from the United States of America, the State of New Jersey and/or the County of Monmouth. In the event, however, that any amount so contributed or granted by the United States of America, the State of New Jersey and/or the County of Monmouth, other than the Grant, shall be received by the Township after the issuance of the bonds or notes authorized in Section 2 hereof, then such funds shall be applied to the payment of the bonds or notes so issued and shall be used for no other purpose. SECTION 7. The following additional matters are hereby determined, declared, recited and stated:

(a) The improvements or purposes described in Section 3 of this bond ordinance are not current expenses and are improvements or purposes which the Township may lawfully undertake as general improvements or purposes, and no part of the cost thereof has been or shall be specially assessed on property specially benefited thereby.

(b) The average period of usefulness of said improvements or purposes within the limitations of the Local Bond Law, according to the reasonable life thereof computed from the date of the said bonds authorized by this bond ordinance, is twenty (20) years.

(c) The Supplemental Debt Statement required by the Local Bond Law has been duly made and filed in the Office of the Clerk of the Township and a complete executed duplicate thereof has been filed in the Office of the Director of the Division of Local Government Services, New Jersey Department of Community Affairs, and such statement shows that the gross debt of the Township as defined in the Local Bond Law is increased by the authorization of the bonds or notes provided for in this bond ordinance by \$235,806 and the said bonds or notes authorized by this bond ordinance will be within all debt limitations prescribed by said Local Bond Law.

(d) An aggregate amount not exceeding \$80,000 for items of expense listed in and permitted under section 20 of the Local Bond Law is included in the estimated cost indicated herein for the purpose or improvement hereinbefore described.

The bonds or notes shall be direct, unlimited obligations of the Township, and the Township shall be obligated to levy *ad valorem* taxes upon all the taxable real property within the Township for the payment of the bonds or notes and the interest thereon without limitation as to rate or amount.

SECTION 9. The Township reasonably expects to reimburse any expenditures toward the costs of the improvements or purposes described in Section 3 hereof and paid prior to the issuance of any bonds or notes authorized by this bond ordinance with the proceeds of such bonds or notes. This Section 9 is intended to be and hereby is a declaration of the Township's official intent to reimburse any expenditures toward the costs of the improvements or purposes described in Section 3 hereof to be incurred and paid prior to the issuance of bonds or notes authorized herein in accordance with Treasury Regulations §1.150-2. No reimbursement allocation will employ an "abusive arbitrage device" under Treasury Regulations §1.148-10 to avoid the arbitrage restrictions or to avoid the restrictions under Sections 142 through 147, inclusive, of the Internal Revenue Code of 1986, as amended (the "Code"). The proceeds of any bonds or notes authorized herein used to reimburse the Township for costs of the improvements or purposes described in Section 3 hereof, or funds corresponding to such amounts, will not be used in a manner that results in the creation of "replacement proceeds", including "sinking funds", "pledged funds" or funds subject to a "negative pledge" (as such terms are defined in Treasury Regulations §1.148-1), of any bonds or notes authorized herein or another issue of debt obligations of the Township other than amounts deposited into a "bona fide debt service fund" (as defined in Treasury Regulations §1.148-1). The bonds or notes authorized herein to reimburse the Township for any expenditures toward the costs of the improvements or purposes described in Section 3 hereof will be issued in an amount not to exceed \$235,806. The costs to be reimbursed with the proceeds of the bonds or notes authorized herein will be "capital expenditures" in accordance with the meaning of section 150 of the Code. All reimbursement allocations will occur not later than eighteen (18) months after the later of (i) the date the expenditure from a source other than any bonds or notes authorized herein is paid, or (ii) the date the improvements or purposes described in Section 3 hereof is "placed in service" (within the meaning of Treasury Regulations §1.150-2) or abandoned, but in no event more than three (3) years after the expenditure is paid.

SECTION 10. The Township covenants to maintain the exclusion from gross income under section 103(a) of the Code of the interest on all bonds and notes issued under this bond ordinance.

SECTION 11. This bond ordinance shall take effect twenty (20) days after the first publication thereof after final adoption and approval by the Mayor, as provided by the Local Bond Law.
