

FORMAL meeting of the FLETCHER LAKE COMMISSION**Date:** October 13, 2021**Location:** Bradley Beach Boro Hall**Members:** Charles A. (Al) Quixley (Chariman), Marc Rosenthal, Suzanne Klarewicz, Susan Roach (Treasurer), Anthony DiMaio, (Secy) Sal Galassetti, Robert Lane, Mayor Larry Fox , Pam Reinhardt (Robert Cospito)

Minutes

1 Call to Order	Called to order by Mayor Fox, Time: 7:04 pm & Roll Call	In attendance: Suzanne Klarewicz , Marc Rosenthal, Susan Roach, Mayor Larry Fox, Pam Reinhardt.
2 Electric Bills	Paying the electric bills of motion to pay electric bills, \$388.92, \$99.14, \$218.41.	Motion to pay the bills by LF Second MR Motion Carried
3	Discuss if aerators have been removed. If not notify Neptune Councilman, Robert Lane to notify Neptune Public Works to remove them. Mayor Fox will contact Robert Lane to notify Neptune Public Works to remove them. Neptune director of DPW, David Milmoie is in charge of said removal of aerators.	The boro will be covering the cost, for such installation. Additional discussion regarding the foot bridge repair or replacement. In light of the cost of such actions, the BB administrator will reach out to Neptune Township to put in place a joint effort which would allow Neptune and Bradley Beach to share this expense.
4	Mayor Fox to request cleanup of sand along & behind gazebo Public Works needs to clean up sand behind and along gazebo.	Mayor Fox to request Bradley beach DPW crewmember, Josh, also to cut down weeds by the outfall pipe.
5	Councilman Robert Lane, not present, invited a new member to the meeting: Pam Reinhardt.	Pam Reinhardt was in attendance and introduced herself.
6	New Business: Mayor Fox to discuss future of Ocean grove retaining wall to be replaced by "native living Shoreline" as opposed to replacing the crumbling present retaining wall.	Mayor Fox to reach out to local Monmouth County Assemblyman Eric Houghtaling & State Senator Chris Smith.
7	Old Business: Mayor Fox said he received a check for \$1,000 from Neptune Township for their annual 2021 contribution to Fletcher Lake which is less than the \$3000 expected. He gave the check to the Fletcher Lake Commission (FLC) Treasurer for deposit saying he would be discussing the discrepancy with the Neptune Township Mayor. A discussion ensued regarding Neptune Township only making a \$1,000 contribution for 2021 instead of the agreed upon \$3000 contribution made each year by each town for the past 20 years.	According to the FLC Charter each town's contributions are to be on a 50/50 basis and since Bradley Beach already contributed the usual and agreed upon \$3000 in early 2021, Neptune Township should do the same. To do otherwise counters the Charter which defines contributions are to be on a 50/50 basis. Mayor Fox to contact Neptune Mayor to discuss their contribution further and asked the FLC to supply him with a consolidated list of budgetary costs that may or may not come up each year.
8	Mayor Fox said the town of Bradley is looking into if they can allocate infrastructure monies towards replacing the Fletcher Lake Bridge.	
9	Marc Rosenthal asked if there is extra money for infrastructure could Bradley consider putting a bulk head on the east Bradley side to hold the sand back near the outflow pipe.	(This area is where the knotweed used to hold the sand back before it was taken out).
10	Mayor Fox said in 2022, "Standing Committees" will start in which Chairman of both lakes will come together.	

11	FLC Member suggestions to Mayor Fox:	
12		<ul style="list-style-type: none">● Put bollards at both ends of Fletcher Lake Bridge to stop motorcycles from going over it.● Make Lake "Catch and Release"● Put up appropriate warning signage
13	Motion to adjourn by Susan Roach, seconded by Suzanne Klarewicz.
