Ms. Hoffmann stated that the Community Development Block Grant is a federally funded HUD grant. Ms. Hoffmann reviewed the types of eligible projects and stated that the maximum grant award will be approximately \$200,000. A Citizens Participation Group was appointed by the Township Committee. The Group met on April 29th and discussed the following projects:

1. Roadway and sidewalk improvements on Ridge Avenue near the Schoolhouse Square development.
2. Installation of lighting along West Lake Avenue.
3. Sidewalk and ADA improvements along Neptune Blvd. to connect residential neighborhoods with retail establishments and workplaces.

The Group voted to support the sidewalk and ADA improvements along Neptune Blvd. The project would consist of the installation of 1400 linear feet of sidewalk on the north side of the street and 2000 linear feet on the south side along with handicapped ramps. The project should be within the \$200,000 range and the application is due to the County by July 12th.

Mr. Bishop stated that this area of Neptune Blvd. was just identified by the NJDOT as a key area that is in need of pedestrian enhancements. WHEREAS, the Township Committee of the Township of Neptune has gone on record multiple times over the last decade urging the New Jersey Department of Transportation (NJDOT) to widen Route 66 between Wayside Road and its western terminus just to the west of the Garden State Parkway; and,

WHEREAS, by letter to the Mayor of the Township of Neptune, dated May 1, 2013 from the State of New Jersey Council on Affordable Housing (COAH), it was claimed that the Municipality had failed to spend or commit to spend development fees of monies in its Affordable Housing Trust Fund within four years of the date of collection, and therefore, it was the responsibility of the Township to recertify should the Township feel that any balances provided by the letter of May 1, 2013 as unspent or uncommitted fees were inaccurate or incorrect,

WHEREAS, funds for this purpose are available in the 2013 municipal budget in the appropriation entitled _____, known as Account No. _____ and the Chief Financial Officer has so certified in writing,

PRIVILEGE OF THE FLOOR/PUBLIC COMMENTS

Ann Horan, 69 Clark Avenue, stated that there is a concern with the new Wednesday recycling pick-up day in Ocean Grove. Weekend residents/guests will leave recycling out from the weekend on Sunday night and it will sit for two days at the curb. Also, there is a concern about the idea of a recycling center near the Pennsylvania Avenue Pumping Station creating odors in the area. Mr. Gadaleta stated that he will speak to Wayne Rode, Director of Public Works regarding these issues.

Constance Holmes, Winding Ridge resident, stated that Winding Ridge residents received an increase in rent from \$1,300 to \$1,800 and the complex will be converting to market rate in 2015. Rents at Neptune Gardens are also going up, but the landlord has now agreed to a lower increase.

She stated that rent control is needed in Neptune Township. Mr. Bishop asked Mr. Anthony to make sure that the correct procedure was followed in converting affordable rate housing to market rate housing.

Ken Buckley, 65 Broadway, asked if the Township was pleased with the performance of the completed drainage system on Broadway. The Mayor stated that it seems to be functioning well. Mr. Buckley stated that the water drained quickly after the recent heavy rain.

Mr. Fornino stated that he is still gathering information and cost for the installation of speed tables for the Gables section of the Township.

Ms. Horan stated that the water company recently upgraded water lines in Ocean Grove. She asked if they will pave the streets that they disturbed. Mr. Gadaleta stated yes, they are required to pave the streets in accordance with our ordinance.

Laura Granelli, Highland Avenue, suggested that when the Township meets with the NJDEP on the river dredging that the petition with hundreds of signature also be presented to them.

Heinz Weck, Ocean Grove, stated that the Township did a great job on the Broadway drainage project.

Dorothy Argyros, 2100 Rutherford, stated that rents are being increased in Winding Ridge and something needs to be done. People are being driven out of their homes as a result of greed.

Catherine Rosco, Jaeger Avenue, asked when the Welsh Farms property will be completed and when the structure will be demolished. The Mayor stated that improvements will be starting soon and that the back portion of the main structure will be demolished.

Mr. Bishop offered a motion, seconded by Mr. McMillan, to adjourn. All were in favor.
