BE IT ORDAINED by the Township of Neptune of the County of Monmouth in the State of New Jersey that the Land Development Ordinance, Section 412.21, Subsection H, shall be amended as follows (added language is reflected in **bold**):

§412.21 TEMPORARY TRAILERS, DUMPSTERS, PORTABLE STORAGE UNITS AND LIKE PORTABLE ON-DEMAND STORAGE CONTAINERS

- H. Prohibition of dumpsters, portable storage units or like portable on-demand storage containers in certain private property areas and in public areas.
1. It shall be generally unlawful for any person to construct or place a storage container for garbage, such as a “dumpster” or a storage container for portable on-demand storage, such as a portable storage unit as defined in this ordinance upon any front yard of private property or upon any Township owned or unaccepted dedicated street, avenue, highway, lane, alley or public place. No permit shall be issued for such use or storage of dumpsters, portable storage units or like portable on-demand storage containers unless the applicant establishes a hardship by satisfying one or more of the following criteria:
 - (a) Narrowness of distance between property lines making placement of the dumpster, portable storage units or like portable on-demand storage containers elsewhere other than at the front of said private property or at a public area difficult if not impossible.
 - (b) Parking needs affected.
 - (c) Traffic flow affected.
 - (d) Other reasons establishing the necessity of placement on the front of private property or on a public area.
 2. Should the applicant demonstrate a hardship warranting placement of a dumpster, portable storage unit or like portable on-demand storage container on the front yard of private property or on a public area as defined above, the Director of Code

Enforcement shall issue a permit with regards to dumpsters, portable storage units or similar portable on-demand storage containers on a temporary basis, in the case of a dumpster for a period not to exceed ninety (90) days and in the case of a portable storage unit or like portable on-demand storage containers not to exceed thirty (30) days. Extensions cannot be granted for more than the aforesaid time period set unless a longer period is granted by site plan approval before the Planning Board or Zoning Board. Both a permit for a dumpster and a permit for portable storage container shall require a fee of Thirty (\$30.00) Dollars.

3. **Should a permit be issued for the placement of a dumpster, portable storage unit or like portable on-demand storage container on a public area, as defined above in Paragraph 1, within the Ocean Grove Historic District, the dumpster, portable storage unit or like portable on-demand storage container shall not be permitted in the public area on a weekend during the summer season. Weekend shall be defined as between Friday at 3:00 p.m. and Monday at 8:00 a.m. Summer season shall be defined as between the dates of May 15th and September 15th. This prohibition shall extend to Tuesday at 8:00 a.m. should the weekend be followed by Memorial Day, Labor Day or the 4th of July legal holiday.**
4. Any permit may be revoked by the Director of Code Enforcement if it is determined that the existence of the dumpster, portable storage unit or like portable on-demand storage container is affecting traffic flow or affecting the safety or welfare of the public.

All Ordinances or parts of Ordinances which are inconsistent herewith are repealed, but only to the extent of such inconsistency.

The Ordinance shall become effective immediately upon its final passage and publication as required by law.

**Re: In the Matter of the Township of Neptune, County of Monmouth,
Docket No. L-2236-15**

Dear Mr. Walsh:

This letter memorializes the terms of an agreement reached between the Township of Neptune (the Township or "Neptune"), the declaratory judgment plaintiff, and Fair Share Housing Center (FSHC), a Supreme Court-designated interested party in this matter in accordance with In re N.J.A.C. 5:96 and 5:97, 221 N.J. 1, 30 (2015)(Mount Laurel IV) and, through this settlement, a defendant in this proceeding.

Background

The Township filed the above-captioned matter on June 16, 2015 seeking a declaration of its compliance with the Mount Laurel doctrine and Fair Housing Act of 1985, N.J.S.A. 53:27D-301 et seq. in accordance with In re N.J.A.C. 5:96 and 5:97, supra. FSHC and the Township appeared before the Honorable Jamie Perri thereafter, and the Township received temporary immunity from Mt. Laurel lawsuits, and an Order accepting its updated Housing Plan on January 22, 2016. Through that process, the Township and FSHC agreed to settle the litigation and to present that settlement to the trial court with jurisdiction over this matter to review, recognizing that the settlement of Mount Laurel litigation is favored because it avoids delays and the expense of trial and results more quickly in the construction of homes for lower-income households.

Settlement terms

The Township of Neptune and FSHC hereby agree to the following terms:

1. FSHC agrees that the Township, **with the intention of the adoption of a Housing Element and Fair Share Plan in accordance with Paragraph 12 below and consistent with this Agreement**, and the subsequent implementation of the Plan and this Agreement, satisfies its obligations under the Mount Laurel doctrine and Fair Housing Act of 1985, N.J.S.A. 53:27D-301 et seq., for the Prior Round (1987-1999) and Third Round (1999-2025).
2. At this time and at this particular point in the process resulting from the Supreme Court's Mount Laurel IV decision, when fair share obligations have yet to be definitively determined, it is appropriate for the parties to arrive at a settlement regarding a municipality's Third Round present and prospective need instead of doing so through plenary adjudication of the present and prospective need.

3. FSHC and Neptune Township hereby agree that Neptune's affordable housing obligations are as follows:

Rehabilitation Share (per Kinsey Report ¹)	100
Prior Round Obligation (pursuant to N.J.A.C. 5:93)	0
Third Round Prospective Need (per Kinsey Report, as adjusted through this Settlement Agreement)	203

4. The Township's efforts to meet its present need/rehabilitation share include the following: Neptune Township Plan and Rehab Program. This annual program is sufficient to satisfy the Township's rehabilitation obligation of 100 units.
5. As noted above, the Township has no Prior Round (1987-1999) prospective need.
6. The Township has implemented or will implement the following mechanisms to address its Third Round prospective need of 203 units:

Project	Number of Units/Credits
Credits for Age-Restricted Rental Units	
Carver Inn	14
Mid-Town Senior Apartments	40
JP Housing	23
Credits for Affordable Rental Units	
Winding Ridge Apartments	99
Credits for Affordable for Sale Units	
Summerfield Estates	10
Coastal Habitat	3
Interfaith Neighbors	5
Credits for Group Homes	
M&O Housing	12
Total Units/Credits	206

The Township shall receive credits/recognition for all units constructed above the Third Round need of 203.

The Township agrees to require 13% of all units referenced in this plan, with the exception of units constructed as of July 1, 2008, and units subject to preliminary or final site plan approval, to be very low income units, with half of the very low income units being available to families. The municipality will comply with those requirements as follows:

Project	Number of Units	Number of Very Low Income Units
JP Housing	23	3
Total Units/Credits	23	3

¹ David N. Kinsey, PhD, PP, FAICP, NEW JERSEY LOW AND MODERATE INCOME HOUSING OBLIGATIONS FOR 1999-2025 CALCULATED USING THE NJ COAH PRIOR ROUND (1987-1999) METHODOLOGY, April 16, 2015, revised July 2015.

7. Third Round bonuses will be applied in accordance with N.J.A.C. 5:93 (i.e. one bonus credit per family rental unit up to the 25 percent maximum).
8. At least 50 percent of the units addressing the Third Round Prospective Need shall be affordable to very-low-income and low-income households with the remainder affordable to moderate-income households.
9. The Township agrees to comply with an age-restricted cap of 25% and to not request a waiver of that requirement. This shall be understood to mean that in no circumstance may the municipality claim credit toward its fair share obligation for age-restricted units that exceed 25% of all units developed or planned to meet its cumulative prior round and third round fair share obligation.
10. The Township shall add to the list of community and regional organizations in its affirmative marketing plan, pursuant to N.J.A.C. 5:80-26.15(f)(5), Fair Share Housing Center, the Asbury Park (Neptune), Long Branch, and Lakewood Branches of the NAACP, and the Latino Action Network. The Township shall, as part of its regional affirmative marketing strategies during its implementation of this plan, provide notice to those organizations of all available affordable housing units. The Township also agrees to require any other entities, including developers or persons or companies retained to do affirmative marketing, to comply with this paragraph.
11. All units shall include the required bedroom distribution, be governed by controls on affordability and affirmatively marketed in conformance with the Uniform Housing Affordability Controls, N.J.A.C. 5:80-26.1 et. seq. or any successor regulation, and all other applicable law, *provided that the Township shall require a control period pursuant to N.J.A.C. 5:80-26.11 of not less than 50 years for all units addressing its prospective need obligation that have not yet been constructed, or for projects receiving nine percent Low Income Housing Tax Credits, a control period of not less than a 30-year compliance period plus a 15 year extended use period; all such units will receive one credit toward Prospective Need and may receive up to one bonus credit in accordance with the other terms of this Agreement.* The Township as part of its HEFSP shall adopt and/or update appropriate implementing ordinances in conformance with standard ordinances and guidelines developed by COAH to ensure that this provision is satisfied.
12. As an essential term of this settlement, within ninety (90) days of Court's approval of this Settlement Agreement, the Township shall introduce an ordinance providing for the amendment of the Township's Affordable Housing Ordinance and Zoning Ordinance to implement the terms of this Settlement Agreement and the zoning contemplated herein, **and adoption of the Housing Element and Fair Share Plan and its Appendix, and consistent with the terms of this Settlement Agreement.**
13. The parties agree that if a decision of a court of competent jurisdiction in Monmouth County, or a determination by an administrative agency responsible for implementing the Fair Housing Act, or an action by the New Jersey Legislature, would result in a calculation of an obligation for the Township for the period 1999-2025 that would be lower by more than twenty (20%) percent than the total prospective Third Round need obligation established in this agreement, and if that calculation is memorialized in an unappealable final judgment, the Township may seek to amend the judgment in this matter to reduce its fair share obligation accordingly. Notwithstanding any such reduction, the Township shall be obligated to implement the fair share plan attached hereto, including by leaving in place

any site specific zoning adopted or relied upon in connection with the Plan approved pursuant to this Settlement Agreement; taking all steps necessary to support the development of any 100% affordable developments referenced herein; maintaining all mechanisms to address unmet need; and otherwise fulfilling fully the fair share obligations as established herein. The reduction of the Township's obligation below established in this agreement does not provide a basis for seeking leave to amend this agreement or seeking leave to amend an order or judgment pursuant to R. 4:50-1. If the Township prevails in reducing its prospective need for the Third Round, the Township may carry over any resulting extra credits to future rounds in conformance with the then-applicable law.

14. The Township **shall** prepare a Spending Plan that is **consistent with this Settlement Agreement** as an Appendix to the Housing Element and Fair Share Plan. The parties to this Agreement agree that this spending plan, **if consistent with the terms of this agreement, shall be** valid and should be approved by the Court. On the first anniversary of the execution of this agreement, and every anniversary thereafter through the end of this agreement, the Township agrees to provide annual reporting of trust fund activity to the New Jersey Department of Community Affairs, Council on Affordable Housing, or Local Government Services, or other entity designated by the State of New Jersey, with a copy provided to Fair Share Housing Center and posted on the municipal website, using forms developed for this purpose by the New Jersey Department of Community Affairs, Council on Affordable Housing, or Local Government Services. The reporting shall include an accounting of all housing trust fund activity, including the source and amount of funds collected and the amount and purpose for which any funds have been expended.
15. On the first anniversary of the execution of this agreement, and every anniversary thereafter through the end of this agreement, the Township agrees to provide annual reporting of the status of all affordable housing activity within the municipality through posting on the municipal website with a copy of such posting provided to Fair Share Housing Center, using forms previously developed for this purpose by the Council on Affordable Housing or any other forms endorsed by the Special Master and FSHC.
16. The Fair Housing Act includes two provisions regarding action to be taken by the Township during the ten-year period of protection provided in this agreement. The Township agrees to comply with those provisions as follows:
 - a. For the midpoint realistic opportunity review due on July 1, 2020, as required pursuant to N.J.S.A. 52:27D-313, the Township will post on its municipal website, with a copy provided to Fair Share Housing Center, a status report as to its implementation of its Plan and an analysis of whether any unbuilt sites or unfulfilled mechanisms continue to present a realistic opportunity and whether the mechanisms to meet unmet need should be revised or supplemented. Such posting shall invite any interested party to submit comments to the municipality, with a copy to Fair Share Housing Center, regarding whether any sites no longer present a realistic opportunity and should be replaced and whether the mechanisms to meet unmet need should be revised or supplemented. Any interested party may by motion request a hearing before the court regarding these issues.
 - b. For the review of very low income housing requirements required by N.J.S.A. 52:27D-329.1, within 30 days of the third anniversary of this agreement, the Township will post on its municipal website, with a copy provided to Fair Share Housing Center, a status report as to its satisfaction of its very low income

requirements, including the family very low income requirements referenced herein. Such posting shall invite any interested party to submit comments to the municipality and Fair Share Housing Center on the issue of whether the municipality has complied with its very low income housing obligation under the terms of this settlement.

17. FSHC is hereby deemed to have party status in this matter and to have intervened in this matter as a defendant without the need to file a motion to intervene or an answer or other pleading. The parties to this agreement agree to request the Court to enter an order declaring FSHC is an intervenor, but the absence of such an order shall not impact FSHC's rights.
18. Prior to becoming effective, this Settlement Agreement must be approved by the Court following a fairness hearing as required by Morris Cty. Fair Hous. Council v. Boonton Twp., 197 N.J. Super. 359, 367-69 (Law Div. 1984), aff'd o.b., 209 N.J. Super. 108 (App. Div. 1986); East/West Venture v. Borough of Fort Lee, 286 N.J. Super. 311, 328-29 (App. Div. 1996). The Township shall present its planner as a witness at this hearing. FSHC agrees not to challenge **Neptune Township's Housing Element and Fair Share Plan and Appendix, if consistent with the terms of this Agreement**, at the fairness hearing. In the event the Court approves this proposed settlement, the parties contemplate the municipality will receive "the judicial equivalent of substantive certification and accompanying protection as provided under the FHA," as addressed in the Supreme Court's decision in In re N.J.A.C. 5:96 & 5:97, 221 N.J. 1, 36 (2015). The "accompanying protection" shall remain in effect through July 1, 2025.
19. This Settlement Agreement may be enforced through a motion to enforce litigant's rights or a separate action filed in Superior Court, Monmouth County. A prevailing movant or plaintiff in such a motion or separate action shall be entitled to reasonable attorney's fees.
20. Unless otherwise specified, it is intended that the provisions of this Agreement are to be severable. The validity of any article, section, clause or provision of this Agreement shall not affect the validity of the remaining articles, sections, clauses or provisions hereof. If any section of this Agreement shall be adjudged by a court to be invalid, illegal, or unenforceable in any respect, such determination shall not affect the remaining sections.
21. This Agreement shall be governed by and construed by the laws of the State of New Jersey.
22. This Agreement may not be modified, amended or altered in any way except by a writing signed by each of the Parties.
23. This Agreement may be executed in any number of counterparts, each of which shall be an original and all of which together shall constitute but one and the same Agreement.
24. The Parties acknowledge that each has entered into this Agreement on its own volition without coercion or duress after consulting with its counsel, that each party is the proper person and possess the authority to sign the Agreement, that this Agreement contains the entire understanding of the Parties and that there are no representations, warranties, covenants or undertakings other than those expressly set forth herein.

25. Each of the Parties hereto acknowledges that this Agreement was not drafted by any one of the Parties, but was drafted, negotiated and reviewed by all Parties and, therefore, the presumption of resolving ambiguities against the drafter shall not apply. Each of the Parties expressly represents to the other Parties that: (i) it has been represented by counsel in connection with negotiating the terms of this Agreement; and (ii) it has conferred due authority for execution of this Agreement upon the persons executing it.
26. Any and all Exhibits and Schedules annexed to this Agreement are hereby made a part of this Agreement by this reference thereto. Any and all Exhibits and Schedules now and/or in the future are hereby made or will be made a part of this Agreement with prior written approval of both Parties.
27. This Agreement constitutes the entire Agreement between the Parties hereto and supersedes all prior oral and written agreements between the Parties with respect to the subject matter hereof except as otherwise provided herein.
28. Anything herein contained to the contrary notwithstanding, the effective date of this Agreement shall be the date upon which all of the Parties hereto have executed and delivered this Agreement.
29.
