**TOWNSHIP OF NEPTUNE**  
**RULES & REGULATIONS FOR**  
**ON-STREET HANDICAPPED PARKING SPACE**

1. The person requesting on-street resident handicapped parking is a resident of the Township of Neptune who shall make an application to the Neptune Township Police Department. The application shall be reviewed and approved or denied by the Chief of Police of Neptune Township. A negative determination may be appealed to the Township Committee if a request from the resident aggrieved is received within twenty (20) days from the date of the Chief's declination.
2. The person requesting on-street resident handicapped parking has been issued a wheelchair symbol license plate or windshield placard issued by the New Jersey Division of Motor Vehicles, which is properly displayed in either the handicapped resident's vehicle, or the vehicle of an immediate family member who also resides at that location.
3. The subject property passes an on-site inspection by the Neptune Township Police Department, which inspection shall determine whether handicapped parking will interfere with the normal flow of traffic or whether there is immediate adjacent off-street parking available to the applicant.
4. The applicant complies with the provisions of N.J.S.A. 39:4-138(o) and 39:4-197.6 regulating handicapped parking in designated spaces.
5. Upon approval of an applicant's request for handicapped on-street parking, the Township will enact an appropriate Ordinance designating the name of the subject street, the side of that street where the resident resides, and a description of the allowed parking area in front of the subject residence. Such designation shall be within the property lines of the subject residence, but otherwise shall be subject to the discretion of the Neptune Township Police Department and the Chief of Police.
6. A sign shall be installed specifically identifying the handicapped on-street parking space as being resident-handicapped parking only, and a special permit shall be issued to the resident, which shall be placed in the window of the subject vehicle or be available for production, if requested by law enforcement, which indicates that the applicant is a handicapped resident in possession of the aforesaid special permit.
7. The fee for a Resident Handicapped Parking Permit shall be \$100.00.
