

661 Shrewsbury Avenue  
Shrewsbury, NJ 07702

January 15, 2018

**NOTICE: WATER MAIN REPLACEMENT –  
Main Ave from Whitefield to Beach– TOWNSHIP OF Neptune.**

Dear Customer:

New Jersey American Water will be installing a new 8" water main to replace the existing water mains that serve properties on Main Ave. This investment in your community water system is necessary to further improve our distribution system within your service area.

Please note, weather permitting, construction on this main replacement is expected to begin **on or about January 22, 2018.** We anticipate the entire project will take approximately 5 weeks to complete.

During this time, New Jersey American Water's contractor, CRJ Contracting will work in conjunction with local authorities to minimize any inconvenience to your daily routine. CRJ will be working between the hours of 8:00 am and 5:00 pm, traffic will be alternated. At the end of the day the entire roadway will be open to all traffic.

Final restoration to the roadway will be completed in the spring.

Should you have any questions, please feel free to call me at 732-933-5903.

Sincerely,

Mark Aschettino
