

# BOYS WILL BE BOYS

It's a known fact that boys just want to have fun—the wilder the better.

As a parent, you want them to experience so much more, learn new things, appreciate the world around them, and stay safe. That's what Scouting is all about—having fun while learning the fundamentals of success.

**Scouting**  
**PREPARES BOYS**  
**FOR LIFE**

Cub Scouting offers engaging, age-appropriate activities for boys 7-10 and their families that are not only fun but that also promote character development and physical fitness. When you sign your son up for Cub Scouting, you're signing him up for much more than an after-school activity. You're arming him with life skills he will use today, tomorrow and well into the future.
