- 24-hour emergency contact information must be provided in the event that removal of the dumpster or storage unit is necessary.

***** IMPORTANT ***:** (1) Dumpsters and storage containers located on a public street or in the public right-of-way must be removed in the event it is determined the unit impedes the flow of traffic, jeopardizes the public safety or welfare, impending or fallen snow, other emergency conditions, or any other reason it is determined the unit is an obstruction.
