#### PRIVILEGE OF THE FLOOR/PUBLIC COMMENTS

Rev. Edmund Lee, 12 Patricia, stated that he has been to three Committee meetings to complain about the speeding on Sunnyfield Terrace and nothing has been done. Lt. Zarro contacted him last week to say a speed sign would be installed. The Mayor stated that he or Dr. Brantley will contact Deputy Chief Fisher and get it resolved.

Joan Venezia, 107 Mt. Hermon Way, stated that people are leaving food in the area around the Auditorium for the homeless and she is concerned about the food attracting animals. Mr. Gadaleta stated that it will be addressed. Ms. Venezia asked for an update of the audit of resident only handicapped parking stalls. Mr. Cuttrell stated that letters have been sent requesting a verification of primary address and an updated Disabled Person ID with a Neptune Township address. Responses are being received. Ms. Venezia stated that some of the financial information on the North End Redeveloper was withheld. Mr. Gadaleta stated that the Redevelopment Attorney advised that the financial information is not available through OPRA. He anticipates the plan documents to be received within a week which will be made available to the public. A conditional redevelopment/interim cost will then be done and once a Redevelopment Agreement is in place, the plan goes to the Planning Board.

Kennedy Buckley, Broadway, asked for clarification on who is permitted to park in a residential only handicapped parking zone versus a regular handicapped parking zone. Mr. Cuttrell explained that regular blue handicapped parking zones can be used by anyone with a handicapped parking plate or hang tag. Those spots that are resident only are issued a yellow hang tag to be displayed along with the blue tag and may only be used by Neptune Township residents with the yellow tag.

Dr. Brantley offered a motion, seconded by Mr. Lane to adjourn. All were in favor.
