permission to attend the following field trips. I realize that trip times may vary from the regular program time and that all trip times are approximations.

Please initial each line for permission

\_\_\_\_\_ Neptune Aquatics Center Friday, July 14, 5pm-8pm
Bathing suits & towels required

\_\_\_\_\_ Silverball Museum Friday, July 21, 5pm-8pm

\_\_\_\_\_ Sky Zone\* Thursday, July 27 5pm-8pm

\*Please complete the separate permission slip attached for Sky Zone

Participants in the Alliance Summer Program earn the privilege of trips by attending and actively participating in the Life Skills portion of the program, and by behaving appropriately throughout the program.

Any decisions as to eligibility to attend will be made by the program director. A signed permission slip does not guarantee trip eligibility. Please note that if your child is not permitted to join the scheduled trip, please do not bring them to the program that evening. Trip questions? Please see our program director onsite.

We will do our best to be back on time from trips; thanks for understanding if we run a bit late.

Silverball Museum—our program covers the cost of pinball only. Participants may want to bring additional money for food costs.

Sky Zone—our program will cover the admission ticket a slice of pizza & a drink. Participants may want to bring additional money for other food costs or additional games.

Any questions, please call the Recreation office at (732) 869-1202.

Dawn Thompson, Recreation Director
