

**Wesley Lake Commission
Minutes
April 15, 2012
Neptune Community School**

In attendance were:
Councilman Brantley
Peter Avakian
Sharon Davis
Jim Henry
Paul Brown

There were only five members who attended the Wesley Lake Commission meeting on April 15, 2012. The following paragraphs detail the discussions which took place among those who were present.

Wesley Lake Renovation

Councilman Brantley mentioned that the Township of Neptune is requesting a formal restoration plan for Wesley Lake. He suggested that the Wesley Lake Rehabilitation Plan prepared by Peter Avakian along with our proposed fund raising plan would satisfy the Township's request.

Peter Avakian will contact Michael Bascom to gather additional information regarding future plans for Wesley Lake. He will update the Rehabilitation Plan as such.

Finally, councilman Brantley suggested that the Township should consider providing funds to help with the fundraising campaign.

Wesley Lake Fundraising Campaign

Councilman Brantley and Peter Avakian will finalize the mailing list with the assistance of Roberta Grace. Three proposed letter heads for the fundraising letter were presented for discussion. In addition, three photographs of the Wesley Lake area were submitted to be considered for the selected letter head.

Jim Henry obtained a post office box for Wesley Lake Commission and he will be contacting Roberta Grace to get a telephone number. This information will be placed on the letter head.

Thermometer

Jim Henry is waiting for the final rendering of the thermometer from the Graphics department. It was mentioned that the final product is needed by June.

Action items for the next meeting

1. Councilman Brantley plans to have the stakeholder list completed by the next meeting with the help of Roberta Grace
2. Councilman Brantley will be contacting two businesses which maybe be used host the fundraising venue.
3. Peter Avakin and Werner Baumgartner will begin compiling information for the Wesley Lake presentation.

The discussion concluded with councilman Brantley saying that the Wesley Lake fundraising effort should target large corporations for donations. After, we have secured these donations then we can proceed with getting donations from small businesses.
