The meeting was called to order by Mayor Dr. Michael Brantley. The minutes of the Wesley Lake commission September 2014 meeting was approved by Tee Lesinski and Jim Henry.

Report

Please see the memo by Peter Avakian regarding the status of the Wesley Lake projects. The memo is provided on the Wesley Commission website. The written report by Peter Avakian was accepted by the commission.

Dr Brantley mentioned that an article regarding Wesley Lake was printed in the latest issue of the Coaster. He asked if the commission should response to the incorrect information in the article. Jim Henry suggested that the commission should respond with a progress statement on the conditions of Wesley Lake. In addition, the status report prepared by Peter Avakian should be included in the response. Peter Avakian, Jim Henry and Sue Henderson will work on the response.

The president of the Chamber of Commerce was in attendance. She spoke briefly on ideas for fundraising for Wesley Lake and volunteered her help in the future.

Finally, Jim Henry reported that the balance is \$11,494.97. The motion to accept the treasury report was made by Tee Lesinski and seconded by Sharon Davis.

Old Business

Dr. Brantley reviewed two items:

1. Fundraising.

Dr Brantley appointed a sub committee to continue working on Wesley Lake fundraising activities. The team consists of Dr. Brantley and Tee Lesinski. The initial plan is to have a major function early Spring 2015.

2. Aerators.

Jim Henry reported that he has given the information on the aerators to Mindi. She will continue to seek the best price. She will be giving a report on her progress at the next meeting.

Public Portion

The meeting was well attended by the citizens of Asbury and Neptune as well as business owners. We heard from Danny, Jim, David, and Barbara. The recording of the public portion of the meeting will be provided based on request.

The next Wesley Lake meeting is schedule for November 18, 2014.
