1. The SRMM does not insure boats in storage. It is for this reason that the boat owner **MUST** maintain insurance on their boat throughout the storage period. We agree to use every precaution to prevent loss or damage to boats stored, but we are not responsible for such loss or damage as may arise from fire, theft, flood, windstorm, or any other conditions beyond our control. Ship to shore radios, depth finders and other types of electronics or valuables should be removed from the boat for safe keeping and to assure their proper operating condition in the spring.

2. No power washing of boat bottoms is allowed by a SRMM customer without the approval of the Harbor Master. No washing, rinsing of inboard motors, or machinery is permitted at any time.

3. Work by contractors in our yards is not permitted, except by prior arrangement with the SRMM management and a copy of said certificate of Liability is supplied to the Marina Office.

4. The SRMM reserves the right to move any boat stored in the water or on land at any time.

5. The SRMM reserves the right to move or relocate trailers as needed.

6. **"For Sale"** signs are **PROHIBITED** shall **NOT** to be posted on boats, as it is an open invitation for anyone to enter the premises at any time on the pretext of looking at a boat.

7. Storage payment: All storage charges must be paid in full before the boat is hauled for the winter storage.

8. Storage season is from no earlier than **September 15th to no later than May 15th** or any portion thereof (thereafter, summer storage **WILL** take effect at the prevailing rate).

9. All storage rentals are FINAL. The boat owner is aware that they are leasing space for this reason and is not entitled to a refund of any monies paid under this agreement, if for any reason they decide not to, or is unable to use the space rented. The parties recognize that the SRMM need not mitigate any damages in connection with the rental of this storage space.

10. Area around stored vessel is to be kept clean, orderly, and free of extraneous items.

11. If trailer is locked, a key **MUST** be given to the SRMM.

12. **Proof of Insurance is required at the time of application.**

13. **The use of any type of heater is PROHIBITED. Electrical cords may be run to the boat only when owner is present.** Any boat is plugged in and left unattended, will cause for revocation of storage agreement and boat will be launched for owner to take away without any refund or pro-rata of storage fees paid.
