These questions by the Members of the Board and its professionals directed to applicant's witness may overlap.

After the Board Members and Board Professionals have finished their questioning, the Chairperson of the Zoning Board shall open the Public Portion session of the meeting for the public to ask QUESTIONS ONLY of the witness currently testifying. THIS IS NOT THE TIME FOR PUBLIC COMMENT OR OPINION. Each member of the Public who wishes to question this witness MUST form a line at the podium in order to be heard.

Once the applicant's witness (or any other witness) has finished testifying, they are not subject to recall by the public, but may take the stand again as a part of the Applicant's hearing process. Every witness who appears may be subject to Board Member, Board Professional, and Public Questioning. **THE BOARD AND ITS PROFESSIONALS; HOWEVER, ARE NOT SUBJECT TO QUESTIONING.**

At the completion of Applicant's case, when the applicant has finished with all of their witnesses and evidence presentation, the Chairperson of the Zoning Board will open up the floor for PUBLIC COMMENT. At this time, individuals from the public will be sworn in, give their name and address for the record and will have ONE (1), five (5) MINUTE SESSION TO PROVIDE COMMENT OR OPINION ON THE APPLICATION AS A WHOLE. THIS IS THE TIME WHEN THE PUBLIC MAY EXPRESS TO THE BOARD THEIR OPINIONS ABOUT THE APPLICATION SUBJECT TO A VOTE. Time is not transferable between members of the public.

At the conclusion of the Public Session for Comments, the Applicant or their attorney may provide a "Summation" or Closing Statement to the Board. After Summation, the Board and its Professionals may engage in a discussion, on the record, regarding the Application and its contents. There will be no further input from the public or the applicant at this time.

Upon conclusion of Discussion, the Board may make a motion with regard to the application and vote upon same. We ask that both the Applicant and members of the Public be respectful of the process as outlined above.
