RESOLUTION #13-95 - 1/28/13

SUPPORT STATE LEGISLATION WHICH AUTHORIZES THE RESTORATION OF
ENERGY TAX RECEIPTS TO MUNICIPALITIES FOR PROPERTY TAX RELIEF

WHEREAS, taxes on gas and electric utilities were originally collected by the host municipalities, and when the State made itself the collection agent for these taxes, it promised to dedicate the proceeds to municipal property tax relief; and,

WHEREAS, just as municipalities collect property taxes for the benefit of school districts, counties and other entities; the State is supposed to collect Energy Taxes for the benefit of municipal governments; and,

WHEREAS, for years, though, State budget makers have diverted funding from Energy Taxes to fund State programs; and,

WHEREAS, the cumulative impact of years of underfunding has left many municipalities with serious needs and burdensome property taxes; and,

WHEREAS, municipalities lost millions in combined Energy Tax and Consolidated Municipal Property Tax Relief Aid (CMPTRA) funding in Fiscal Years 2009, 2010, 2011, and 2012 while also being denied scheduled incremental funding; and,

WHEREAS, as a result of these cuts, in a number of municipalities property taxes are higher now, despite the fact that they are spending less, proving that the State's diversion of tax relief funding has overwhelmed local efforts to reduce property taxes; and,

WHEREAS, the Assembly Housing and Local Government Committee has referred A-2753 to the Assembly Appropriations Committee which would require the State Treasurer to make the calculation of the amounts of energy tax receipts due to each municipality pursuant to statutory law, adjusting for inflation, and that payments be made directly to the municipalities by the energy taxpayers; and,

WHEREAS, the Bill would increase the amount distributed to municipalities by over \$44 million; and,

WHEREAS, the intent of the legislation is to ensure that municipalities are able to collect the amounts of energy tax receipts that they were originally promised when the State revised the collection and distribution process in 1997; and,

WHEREAS, the sponsors agree that the time has come to begin to restore to local budgets the millions that were cut to meet State needs in FY 2009, 2010, 2011 and 2012; and,

WHEREAS, the bill would apply the protection of the 'poison pill' to the SFY 2012 distribution of CMPTRA funding, which will prevent further shifts of CMPTRA funding; and which will help to further restrain the appetites of future State policy makers for these municipal property tax relief resources,

THEREFORE, BE IT RESOLVED, that the Township Committee of the Township of Neptune enthusiastically supports A-2753 as a means of restoring the promised level of energy tax receipts to municipalities and requiring that these energy tax receipts be paid directly to municipalities by the energy taxpayers; and,

BE IT FURTHER RESOLVED, that certified copies of this Resolution be forwarded to Governor Chris Christie, Lieutenant Governor Kim Guadagno, our State Senator Jennifer Beck, our Assemblywomen Mary Pat Angelini and Caroline Casagrande, and to the New Jersey League of Municipalities.
