Mayor Rizzo called the meeting to order at 6:00 p.m. and requested the Clerk to call the roll. The following members were present: Dr. Michael Brantley, Robert Lane, Jr., Kevin B. McMillan, Nicholas Williams, and Mayor Carol Rizzo.

Also present at the dais were Richard J. Cuttrell, Municipal Clerk; Vito D. Gadaleta, Business Administrator; and Gene Anthony, Township Attorney.

Mayor Rizzo announced that the notice requirements of R.S. 10:4-18 have been satisfied by the publication of the required advertisement in the Asbury Park Press and The Coaster on January 3, 2019, posting the notice on the Board in the Municipal Complex, and filing a copy of said notice with the Municipal Clerk.

The following items were discussed in open session:

Mr. Cuttrell reviewed a request from ARC of Monmouth to conduct a 5km run on the same route as the Pound the Pavement run in October. The Committee asked that the appropriate resolution be placed on the next meeting to approve.

Mr. Gadaleta provided an update on a number of matters:
- Recycling Tonnage Grant - $48,000 will be received this year from the Township's 2017 application.
- The owners of the former Coca-Cola property have submitted a preliminary plan to the Planning Board. The plan calls for multiple commercial/retail businesses.
- Remediation is ongoing on the former Oliver property on South Riverside Drive. Clean-up, testing, and restoration will be complete by February 1st. Once the approval letter is received from the NJDEP, the Township will receive the approved grant funding from Green Acres.
- The Township did not receive funding through the County Open Space Program for the Welsh Farms project. The Committee has the option of taking on the project via a capital ordinance or can seek funding in the future. Mayor Rizzo suggested that we find out why the Township did not receive funding and attempt to reapply.
- FEMA has approved the Township's amended plan for South Riverside Drive flood mitigation. The Committee will need to appoint a Coastal Engineering Consultant pool and consider a capital ordinance to fund the project. Leanne Hoffmann, Township Engineer, will attend the next workshop meeting to discuss the project further.

Mr. McMillan stated that the state is considering a law that if Transportation Trust Funds awarded to a project are not expended within two years, the money would have to be returned to the State. Mr. Gadaleta stated that would have an impact on the Township's current funding.

Dr. Brantley stated that the annual Black History celebration event will be held on February 16th.

Dr. Brantley offered the following resolution, moved and seconded by Mr. McMillan, that it be adopted:

WHEREAS, Section 8 of the Open Public Meetings Act, Chapter 231, P.L. 1975, permits the exclusion of the public from a meeting in certain circumstances; and,

WHEREAS, this public body is of the opinion that such circumstances presently exist,

THEREFORE, BE IT RESOLVED, by the Township Committee of the Township of Neptune, County of Monmouth, as follows:

   Contract negotiations – Appointment of Coastal Engineer
Personnel – Procedure for requesting advice of legal counsel

3. It is anticipated at this time that the above stated subject matters will be made public when matters are resolved.

4. This Resolution shall take effect immediately.

The resolution was adopted on the following vote: Brantley, aye; Lane, aye; McMillan, aye; Williams, aye; and Rizzo, aye.

The Committee entered executive session for discussion on closed session matters.

The Committee reviewed recommendations for OEM staff appointments and seasonal Tourism Representatives and asked that resolutions be placed on the next regular meeting for consideration.

The Committee reviewed recommendations for the reclassification of an existing employee and an offer of employment for two vacant Bookkeeper positions and took action during the regular business portion of the meeting.

The Committee reviewed the responses to the RFQ for Coastal Engineer Consultant and asked that both submittals from CME Associates and Andrew Rella be accepted by resolution at the next regular meeting.

The Committee discussed developing a procedure for Township employees and elected officials to contact legal counsel whereby Mr. Gadaleta would serve as a gatekeeper and determine if advice of legal counsel is needed. He will develop a written procedure for the Committee’s review.

The Committee returned to the Meeting Room for the regular portion of the meeting.

Mayor Rizzo called the meeting to order and requested the Clerk to call the roll. The following members were present: Dr. Michael Brantley, Robert Lane, Jr., Kevin B. McMillan, Nicholas Williams, and Mayor Nicholas Williams.

Also present at the dais were Richard J. Cuttrell, Municipal Clerk; Vito D. Gadaleta, Business Administrator; and Gene Anthony, Township Attorney.

After a moment of Silent Prayer and the Flag Salute, the Mayor asked the Clerk to indicate the fire exits.

The Clerk stated, “Fire exits are located in the rear of the room and to my right. In case of fire you will be notified by bell and or public address system, then proceed to the nearest smoke-free exit”

Mayor Rizzo announced that the notice requirements of R.S. 10:4-18 have been satisfied by the publication of the required advertisement in the Asbury Park Press and The Coaster on January 3, 2019, posting the notice on the Board in the Municipal Complex, and filing a copy of said notice with the Municipal Clerk. In addition, the meeting agenda, resolutions and ordinances are posted online at www.neptunetownship.org.

APPROVAL OF MINUTES

Mr. Lane offered a motion, seconded by Mr. McMillan, to approve the minutes of the meeting held on December 20th. All were in favor.

COMMENTS FROM THE DAIS

Mr. Williams stated that 2018 was a great year and Mayor Rizzo has his full support this year.

Dr. Brantley stated it was good to see Dorothy Argyros in the audience. He was happy to attend a wedding of a Neptune Township Public Works employee and an office manager in his dental office. The developer of the West Lake Avenue Redevelopment Area is in negotiations with a restaurateur.
Mr. McMillan attended an Economic Development Corporation meeting and asked Mr. Gadaleta to prepare a Year in Review report on the activities of the EDC.

Mr. Lane thanked Barbara Burns and the Ocean Grove Homeowners Association for the holiday party where food and toys were collected for the needy. He also attended the Ocean Grove United holiday party.

Mayor Rizzo stated she has been a member of the Township Committee since 2015 and is proud of our diverse community. The Township will soon break ground on the redevelopment plans in both midtown and Ocean Grove. Recently, the Township broke ground on a new skate park at Sunshine Village fields. She noted that customer service has improved at the municipal building and crime is at record low levels. The Township added Adrienne Sanders to the Police Committee. In the upcoming year, focus will be on the other redevelopment areas, better customer service, increasing the Township’s sustainability and finding new revenue sources. There will be two celebrations this year, the 150th anniversary of Ocean Grove which will be on July 6th and the 140th anniversary of Neptune Township which will be celebrated on Neptune Day. Neptune Township needs to be a place where people can afford to live, raise a family and retire. The Township is fortunate to have the most experienced administrative staff in the County with Mr. Cuttrell, Mr. Gadaleta and Michael Bascom, C.F.O.

PUBLIC COMMENTS ON RESOLUTIONS

Michael Fornino, 120 Fulham Place, in regards to the resolution to amend the Rules and Regulations in the Police Department, Neptune City and Long Branch both went back to designating the Police Chief as the Appropriate Authority. Designating a Committee as the Appropriate Authority reflects poorly on the staff. Mr. Fornino also suggested that snow be plowed to the middle on the road in the Main Avenue business district and then hauled away by a loader. Mr. Anthony stated the Committee is not changing the statutory authority of the day to day operations of the Police Department. The Police Chief needs to have someone to report to and other towns have the Business Administrator or a Police Committee appointed as the Appropriate Authority. Mr. Williams stated that this resolution is simply an update to the Rules and Regulations to reflect a change that was made in 2017.

Dorothy Argyros, 210 Rutherford Avenue, stated that the Committee is putting more money into the Municipal Marina. She wants to see something that shows the marina is making money. Mr. Gadaleta stated that the resolutions approves a Bond Anticipation Note from the sewer utility. This does not appropriate new money. The Marina is self-liquidating and no tax dollars are used in the marina utility.

Hank Coakley, Valley Road, stated the Municipal Marina is a gem, it always operates in the black and he is in favor of the resolution.

ORDINANCE NO. 19-01 - APPROVED

Mr. McMillan offered the following ordinance, moved and seconded by Mr. Lane, that it be approved:

ORDINANCE NO. 19-01
AN ORDINANCE TO EXCEED THE MUNICIPAL BUDGET APPROPRIATION LIMITS AND ESTABLISH A CAP BANK FOR PURPOSES OF INTRODUCING THE 2019 MUNICIPAL BUDGET

The ordinance was approved on the following vote: Brantley, aye; Lane, aye; McMillan, aye; Williams, aye; and Rizzo, aye.

Mr. Cuttrell stated that the Public Hearing on Ordinance No. 19-01 will be held on Monday, January 28, 2019.

(Dr. Brantley left the meeting room)

PRIVILEGE OF THE FLOOR/PUBLIC COMMENTS

(Dr. Brantley returned to the meeting)

Kennedy Buckley, 65 Broadway, asked the Committee to get the money back that was paid to the Assistant Township Attorney to prepare the settlement agreement for 9 Broadway since the owner has not complied with the agreement. Mr. Gadaleta stated that he just received correspondence on the matter. He will review the information and get back to Mr. Buckley.

Michael Fornino, 120 Fulham Place, read a letter that he wrote to the Asbury Park Press in regard to the Press editorial that a wall should not be built on the southern border. He stated that they printed his letter but added words and removed a large portion. He submitted a letter regarding difficulty experienced by residents leaving the Gables at the 6th Avenue and Route 33 intersection because it is difficult to determine which direction opposing traffic is moving. He suggested altering
the intersection so there are three lanes coming into Route 33. Mr. Gadaleta will also forward a letter supporting the idea.

Dorothy Argyros, 2100 Rutherford Avenue, shared an excerpt from a book written by Ralph Nader. She stated Hillary Clinton is a corporate shill and a war monger and the Democrats let everybody down by not supporting Bernie Sanders which led to the election of Donald Trump.

Joan Venezia, 107 Mt. Hermon Way, stated that a food store is needed at the West Lake Avenue Redevelopment project. She asked Mr. Cuttrell if the survey on handicapped spots is complete. Mr. Cuttrell responded that five spots will be removed by ordinance at an upcoming meeting as a result of the survey. She asked if the Township is experiencing problems with recycling efforts. Mr. Gadaleta stated everyone is experiencing difficulty because refuse items are being placed in recycling containers and there is no longer value being received for recycling. Ms. Venezia asked for an update on the North End project. Mr. Gadaleta stated that an application was submitted to the HPC, a tech review will be scheduled by the HPC and then the application will be heard at a regular HPC meeting. The Redevelopment Committee is also working to finalize the Redevelopment Agreement and there has been no approval from the DEP and the Planning Board.

Jack Bredin, 94 ½ Heck Avenue, went over the definition of a detention/retention basin as it relates to the Wesley Lake. He stated it was clear the name change on the tax map of Wesley Lake in 2014 to detention/retention basin would take place only after the successful conclusion of a permit process with the DEP. It would also include the DEP Green Acres Program removing Wesley Lake from the Rocci List. He also discussed the comments of the Planning Board as far as the Wesley Lake. He felt that the Township was falsifying documents to circumvent state law to save money for developers.

Hank Coakley, Valley Road, stated that both Route 33 and Neptune Blvd received a poor paving job, commercial buildings need their street numbers displayed, he does not support a ban on plastic bags, he supports an educational program regarding cigarette filter littering, no one should use plastic cups and straws, and he asked Mr. Anthony for the definition of a felony. Mr. Gadaleta stated the Engineering Department has been in contact with the NJDOT regarding the Route 33 paving, Neptune Blvd. was paved by the water company and he will look to see if any spots have settled, and the upcoming newsletter will address the ordinance relating to street numbers displayed on properties. Mr. McMillan stated that the Drug Alliance can address the cigarette filter litter. Mr. Anthony responded to the felony question.

Richard Williams, 1 Abbott Avenue, stated that the Business Administrator’s report in the workshop meeting was excellent and he hopes it occurs every meeting. He suggested that the Committee members talk about activities in their departments during their comments.

Mr. Lane offered a motion, seconded by Mr. McMillan to adjourn. All were in favor.

Richard J. Cuttrell, Municipal Clerk
