The Township Committee of the Township of Neptune, County of Monmouth, hereby submits our 2024 Municipal Budget. This budget results in a local municipal purposes tax levy of \$34,250,000.00. It is estimated that the Municipal Purposes Tax Rate will decrease by 5 cents, from 58.6 cents to 52.5 cents per \$100.00 of assessed value.

The Budget also includes a Municipal Library Tax of \$2,050,413.00 as well as self-liquidating utility budgets for the sanitary sewer system and marina operations.

The budget allows Neptune Township to continue to operate as a "full service" community, supportive of local growth and all aspects of government-provided services to our community.

This budget is compliant with all applicable laws and regulations, including the Municipal Appropriations CAP Law and the Municipal Tax Levy CAP Law.

The 2024 budget includes a significant increase in capital debt service expenses. This was expected and has been mitigated through the building of surplus over the past several years pursuant to a plan to avoid a related property tax spike.

The following budget appropriations are split amongst lines within this budget:

**CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM**

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

**CAPITAL BUDGET**

- A plan for all capital expenditures for the current fiscal year.

If no Capital Budget is included, check the reason why:

- Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line items and Down Payments on Improvements.
- No bond ordinances are planned this year.

**CAPITAL IMPROVEMENT PROGRAM**

- A multi-year list of planned capital projects, including the current year.

Check appropriate box for number of years covered, including current year:

- 3 years. (Population under 10,000)
- 6 years. (Over 10,000 and all county governments)
- years exceeding minimum time period.

Check if municipality is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.

**TOWNSHIP OF NEPTUNE  
NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM**

The Township Committee and Administration have reviewed the long-range program of Capital Improvement needs throughout Neptune Township, which involved the identification of said needs, prioritizing same and estimating the financial requirements over a period of at least six years. The review included projects already underway at the present time for which legal appropriations have already been approved, as well as forecasting needs based upon input and justifications submitted by our Department Heads and the community.

The Township Committee is interested in continuing to improve existing infrastructure, including roadway, drainage, and sanitary sewer system improvements. Direct benefits of these projects include reduced flooding, improved water quality, safer vehicular and pedestrian traffic conditions, economic growth for the community and enhanced recreational opportunities.

The Township focuses upon protecting the safety of our community by investing in various public safety programs and equipment through this capital program.

The Township has positioned itself through capital investment to establish itself as a regional host for shared services with other communities and has seen success in such programs as evidenced in the operating budget.

The Township Committee plans to utilize grant funding, capital lease programs, short-term borrowing, and long term debt issuance as well as potentially local assessments where appropriate, to fund the initiatives outlined herein.

The Township Committee and Administration have prudently evaluated our Capital Program and our borrowing capacity as recognized by four consecutive rating increases from our bond rating companies.
