The information below roughly outlines the steps involved in processing an application for a Use and/or Bulk Variance:

After you submit your application, fees, and supporting documents, your application will be reviewed for completeness. At that time, you will receive notification advising you whether your application is "complete". If your application is deemed "incomplete", you will be asked to provide the additional information as outlined in the notification. If your application is deemed "complete", you will receive a letter advising you of your scheduled hearing date.

When you receive your hearing letter, it will include further instructions regarding the process necessary to notify the public of your application, and the notice requirements for the newspaper.

<u>PLEASE NOTE:</u> It is helpful to the Board that you provide as much detailed information as possible regarding your proposal. Recent photographs of the entire structure/property, clearly showing front, sides and rear, are strongly suggested. In general, the Board can make its decision at the first meeting/hearing unless the Applicant has failed to provide sufficient information.

Once the Board has rendered a decision, a resolution will be prepared indicating the variance has been granted or denied; this resolution will be memorialized at the next scheduled meeting/hearing. Approximately two (2) to five (5) days after the memorialization of the resolution, it will be mailed to you or to your attorney (should you be represented by an attorney).

Following memorialization, you will be required to publish a "Notice of Decision" in the Township-approved newspaper – The Coaster, 111 Main Street, Asbury Park, NJ 07719. When placing your ad, you must request an "Affidavit of Publication", the original "Affidavit of Publication" of your notice must be submitted to the Board Office once the Notice has been published.

Please be aware that any objector to your approval/denial has up to forty-five (45) days after your notice is published in the newspaper to file an appeal of the decision of the Board.

Please note that application fees are not refundable whether your application has been approved or denied; however, any unused portion of your escrow deposit will be refunded to you. A written request for such refund must be received by the Board Office in order to begin the refund process.

Should you have any questions or require assistance with the application process, please contact the Board Office either by phone (732-897-4162 .x. 204), or by email (kdickert@neptunetownship.org).

- B. <u>Purpose of fees.</u> The application charge is a flat fee to cover direct administrative expenses and is non-refundable. The escrow account is established to cover the costs of professional services including engineering, legal, planning and other expenses connected with the review of the submitted materials. In accordance with N.J.S.A. 40:55D-53 and N.J.S.A. 40:55D-53.1, sums not utilized in the review process shall be returned to the applicant upon written request. If additional sums are deemed necessary, the applicant shall be notified by certified mail or personal service of the required additional amount and shall add such sum to the escrow. Payment shall be due from the applicant within fifteen (15) days of receipt of the notice. If payment is not received within fifteen (15) days, the applicant shall be considered to be in default, and such default may be grounds for denial of the application.
- **C.** <u>More than one request.</u> Where one application for development includes several approval requests, the sum of the individual required fees shall be paid.
- D. Costs of review and inspection. Each applicant for subdivision or site plan approval shall agree in writing to pay all reasonable costs for professional review of the application, including costs incurred with any informal review of a concept plan which may have preceded the submission of a preliminary application. Additionally, each applicant shall agree in writing to pay all reasonable costs for the municipal inspection of the constructed improvements. All such costs for review and inspection must be paid before any construction permit is issued and all remaining costs must be paid in full before any occupancy issued or bonding is released.
- **E.** <u>Court reporter.</u> If an applicant desires a court reporter, the cost of taking testimony and transcribing it and providing a copy of the transcript to the municipality shall be at the expense of the applicant who shall arrange for the reporter's attendance. The municipality provides for the tape recording of the proceedings before the Board.
- F. <u>Waiver of fees for affordable housing</u>. Notwithstanding any other provision of this Ordinance, a waiver of municipal subdivision and site plan application fees, and zoning permit fees may be granted by the approving municipal agency for all housing units being provided by the applicant for low and moderate income families.

ESCROW AGREEMENT

I/We fully understand an "Escrow Account" will be established to cover the costs of professional services which may include engineering, planning, and/or architectural services, and any other expenses incurred in connection with the review of this application before the Planning Board/Board of Adjustment.

The amount of the Escrow deposit will be determined by the Neptune Township Land Development Ordinance §1000 - Application and Escrow Fees, Table 10.02 - Escrow Fees.

It is the policy of Neptune Township that once an Escrow Account falls below 24% of the original deposit amount, the account must be replenished to its original amount. The only exception would be when the application is nearing completion; in such cases, the Applicant will be notified of any anticipated charges and the amount of the additional deposit required.

Payments shall be due within fifteen (15) days of receipt of the request for additional Escrow Funds. If payment is not received within that time, the Applicant will be considered to be in default, and such default may jeopardize further appearance before the Board, and delay any and all pending approvals and the issuance of building permits. Continued failure to submit requested funds will result in legal action against the property.

In accordance with N.I.S.A. 40:55D-53.1, all unused portion of the Escrow Account will be refunded upon written request Kevin and Suzanne Ryan from the Applicant, and verification by the Board's professionals who reviewed the application.

By signature below, I/We acknowledge receipt of Neptune Township's §1000 - Application and Escrow Fees, and agree to all conditions listed.
