### Aeratis Tongue and Groove Decking – **PREFINISHED IN “WEATHERED WOOD”**

#### Aeratis Heritage

Aeratis Heritage is a true double-sided tongue and groove porch plank that comes in three pre-finished colors, Battleship Gray, Weathered Wood and Vintage Slate. These colored boards are made with slight color variation along with subtle, random streaking to match the richness and depth of natural wood. Heritage, like all the other Aeratis products, can be painted or stained any color, any time in the future, by following the steps within the Traditions paint instructions.

The Heritage line of products are ADA slip complaint and carry a Class “B” fire rating (more flame resistant than any other competitors’ product). This double-sided board offers a finished ceiling look from the underside of a porch floor that is visible from underneath.

Aeratis Heritage T&G porch flooring board dimensions are 3-1/8” x 7/8” and are available in 12’, 16’ and 20’ lengths. As seen above from left to right: Battleship Gray, Weathered Wood and Vintage Slate. The Aeratis products have the appearance of wood and natural color variation.
