Hi Janet !!

back to me.*

Hope all is well with you.

Just checking in to see if you have made a decision on the siding application and need to be placed on the Dec. 13, 2022 meeting Agenda. If you want to wait until January, that is fine. I know it's a busy time of the year and you may need more time to make a decision. I'll be preparing the meeting packages and Agenda one day next week.

We are closed Thursday and Friday of this week for the Holiday.

Happy Thanksgiving !!
