Preliminary Review Notes

Below, please find the Application Review notes. Please understand that this is a preliminary review. It includes, but is not limited to, the observations on the following pages concerning your project. In no event shall this preliminary review constitute an approval. Neither the Applicant nor the Review Team is bound by this review. Also, these comments do not preclude additional information requests, comments, or concerns from HPC members before or at the virtual hearing/meeting. The Applicant and/or the Representative of the Applicant should carefully review the notes below and be prepared to discuss these items.

Description of Work

Proposing to install a pre-fab Home Depot storage shed. This shed will be 8 ft. x 8 ft. and measures 7 ft. high. The shed is a wood-sided shed with asphalt shingled roof. The shed comes painted in a "Dover Gray" on the siding and charcoal roof. We can paint the shed to match the color of the house which we were told was an approved color (Stonington Gray HC-170).

Classification

According to the Assessor's records, the subject structure was constructed in 1889. As per *Ocean Grove Historic District Architectural Guidelines for Residential Structures*, Section III, p. 9, this property is considered a Key Structure by date. Key structures include those dwellings originally constructed between the 1880s and 1910 and consist primarily of Eastlake, Gothic Revival, Italianate, Stick Style, Queen Anne, and Early Summer Cottage Vernacular styles. **Applications for work on key and contributing structures are most carefully scrutinized during the HPC review process.**

Compliant Items

At the time of review the Application Review Team could not determine if any of the work demonstrates compliance with the current Design Guidelines.

Compliance Issues

Pre-Fab Storage Shed. Please review the following sections of the current Ocean Grove Historic Architectural Design Guidelines for Residential Structures:

1. **Section I, Subsection D #7.e. page 6 "New Construction:** The HPC will also consider the mass, proportions, architectural style, rhythms, and relationship to the size and scale of the proposed building and/or the structure's surroundings.";
2. **Section IV, Subsection T page 34:** Auxiliary structures include but are not limited to the following:
 1. Hot Tubs
 2. Swimming Pools
 3. Statuary
 4. Permanently Installed Barbeque Grills
 5. Koi Ponds and other water features

Any construction features such as sun decks, swimming pools, and hot tubs are not in keeping with the designs of the Victorian Era or other historic styles of architecture within the Ocean Grove Historic District. Therefore, such features will be viewed contrary to the "Spirit" of the architectural setting. **Introduction of any such feature must fully demonstrate that such a feature would be designed so as not to be visible to public view or adjacent to a public right of way.**

Additional Request/Comments

1. No additional information was requested by the Application Review Team.
2. Please note that no additional evidence or exhibits will be accepted during the virtual meeting.

If any changes are made to your application after you have been placed on the agenda, or if you fail to produce any of the items requested by the Commission, your hearing will be deferred to the next available meeting.

It is highly recommended that you attend this virtual hearing in order to address any questions or concerns the Commission may have. An Architect, Contractor, or Attorney may accompany you, or you may appoint a representative in the event you are unable to attend/participate. Please be advised, your absence or lack of participation in the virtual meeting may cause your application to be deferred.

For your convenience, the Ocean Grove Historic District Guidelines for Residential Structures can be found online at www.neptunetownship.org.

The HPC thanks you for your cooperation and support in maintaining the integrity and character of the Ocean Grove, a registered National and State Historic District. Should you have any further questions or concerns please feel free to contact me at (732) 988-5200, extension 278 or via email kdickert@neptunetownship.org.

Cordially,

Dawn Crozier
HPC Administratively Officer

Please complete this application in its entirety.

Before submission of an application, the applicant is encouraged to review the Ocean Grove Historic District Architectural Design Guidelines for Residential Structures or Commercial Buildings and read the entire attached Information Sheet. The Guidelines are available online at www.neptunetownship.org. Please type or print legibly with ink.

Incomplete applications will not be accepted.

REQUIRED INFORMATION: *With each application, you are required to submit color photos of the property, and, depending on the scope of work proposed, architectural plans or sketches, material samples, color samples, catalog cuts, or any other useful references for review. Once your application is scheduled for a meeting, you may be required to submit additional information or copies of your application and other submitted documents.*
