

# Historic Preservation Commission

## Certificate of Appropriateness

### Application Packet: INFORMATION SHEET

All applications submitted to the Historic Preservation Commission (HPC) will be reviewed and processed within 5 -10 business days. Submitting a complete application using this checklist will facilitate a timely review. Additional information may be required by the HPC or its Application Review Team while an Application is in review.

This Checklist will assist in preparing a Certificate of Appropriateness Application for review by describing generally what is needed. Well researched and prepared, and detailed applications with sufficient photos and written details will enhance the review process and make the process faster. Failure of the Applicant to provide required information will delay the review process until necessary information is provided.

#### PRIOR TO SUBMITTING AN APPLICATION

With all Applications, owners, architects, and other design and construction professionals should research availability of historic photos, Sanborn Maps, and other visual and written references which specifically contribute to determining a structure's original design and details pertaining to the Applicant's property. Restoration of original materials and ornamentation is most desirable and is highly encouraged. Applicants should familiarize themselves with applicable sections of the *Ocean Grove Historic District Architectural Design Guidelines for Residential, and Commercial Structures*, as well as the Township of Neptune Land Development Ordinance. Both documents can be found online at [www.neptunetownship.org](http://www.neptunetownship.org) using the drop-down menu: Departments > Historic Preservation Commission.

- ☐ **COLOR PHOTOGRAPHS.** Color photographs of the front of the structure (and sides and rear, if applicable), and current conditions of all areas which would be affected by the project.
- ☐ **COLOR SAMPLES.** Provide paint and materials colors. If proposed paint color(s) are on the pre-approved paint charts located in the HPC office, the Applicant will only need to submit the names and paint codes to be used.
- ☐ **MATERIAL LIST.** The Applicant must list all materials to be used. If the HPC is not familiar with the proposed materials, samples must be submitted.
- ☐ **CATALOG CUTS/SPECIFICATIONS.** When catalog cuts or design specifications are not available, the Applicant can submit detailed drawings.

#### ADDITIONAL ITEMS TO BE SUBMITTED (IF APPLICABLE):
