Brinkerhoff Project No. 20-0551

Dear Interested Party:

This letter is to provide you with legal notification that an application for a Freshwater Wetlands Letter of Interpretation: Line Verification has been submitted to the New Jersey Department of Environmental Protection, Division of Land Resource Protection for the site shown on the enclosed plan(s). A brief description of the proposed project follows:

*A Freshwater Wetlands Letter of Interpretation (LOI) is being filed to identify the boundaries of any freshwater wetlands, transition areas, and/or State open waters, and the resource value classification of any freshwater wetlands at the above referenced site.*

The complete permit application package can be reviewed at the municipal clerk's office in the municipality in which the site subject to the application is located or by appointment at the Department's Trenton Office. In addition, an electronic copy of the initial application can be provided via an OPRA request by contacting <https://www.nj.gov/dep/opra/opraform.html> [1] from the Department's Trenton Office. The Department of Environmental Protection welcomes comments and any information that you may provide concerning the proposed development and site. Please submit your written comments within 45 calendar days of receiving this letter to:
