Dear Ms. Dickert:

This statement has been prepared to describe the impacts that the proposed project will have on the Township of Neptune's community. Fulfill's mission statement is to alleviate hunger and build food security in Monmouth and Ocean County, as well as to make sure that all people at all times have access to enough nutritious food to maintain an active and healthy life. Fulfill provides numerous services throughout the two counties including providing food, kid's feeding programs, mobile pantries, culinary training, tax refund referrals, SNAP enrollment assistance, and affordable healthcare. The reach of their programs is immense, reaching 13 million meals provided in 2017. The proposed site improvements to Fulfill will help them continue and even expand their positive impact throughout both Monmouth and Ocean County.

If you have any questions or require further information, please contact our office anytime.
