**RE: SITE PLAN FOR FOOD BANK OF MONMOUTH & OCEAN COUNTY
BLOCK 2301, LOT 1
NEPTUNE TOWNSHIP PLANNING BOARD
OUR FILE # NSP10478**

Dear Kristie Armour:

This letter is in reference to the above site plan which was submitted to the Monmouth County Planning Board for approval.

Since this site plan does not front on an existing County Road or affect any County facilities, County Site Plan approval is not required.

If and when one acre of cumulative impervious area is equaled or exceeded at the site, starting with and including the impervious area proposed under the current application, a complete stormwater analysis shall be required. This may result in an assessment for bridge reconstruction and maintenance.

Sincerely,

Joseph Barris, PP, AICP, CFM
