CAPITAL IMPROVEMENT APPLICATION

Definitions/Instructions

Capital Improvement: is an improvement, which permanently enhances the value of the property, is not merely routine repair or maintenance, and is recognized by the Internal Revenue Services for allowance and depreciation for Federal Income Tax purposes.

In addition to the percentage of rent increase and tax surcharge herein provided for, the landlord may seek additional rent for capital improvements made by him/her in the dwelling or attributable to the dwelling. The landlord shall compute the average cost of this improvement per year of useful life by dividing the cost of the completed capital improvement by the number of years of useful life of the improvement allowed by the Internal Revenue Service for said capital improvement, provided that said period shall not be less than one (1) year. No increase shall be permitted for capital improvements completed more than twenty-four (24) months prior to the date upon which notice to the Board of said improvements has been provided by the landlord.

The amount of the monthly increase which a landlord may charge shall be prorated among all tenants benefiting from said improvements by dividing one-twelfth (1/12) of the annual cost of the capital improvements by the total monthly rent roll of the units affected by the improvement in the dwelling, occupied or unoccupied, and that product shall be multiplied by the monthly rent paid by each tenant to establish the amount of capital improvement increase that each tenant shall be required to pay.

No tenant shall be liable for a capital improvement increase if he/she receives no benefit from the improvement, nor if he/she benefits, shall he/she be liable for an increase exceeding the percentage of rent paid by him/her as calculated above, and all such rent increase shall be charged for no period greater than the depreciation period of said improvements.

The landlord shall notify the Board and tenants at least thirty (30) days before the effective date of the increase.
