Boat owner hereby agrees to lease winter storage space at the Shark River Municipal Marina (SRMM).

1. The SRMM does not insure boats in storage. It is for this reason that the boat owner should maintain insurance on their boat throughout the storage period. We agree to use every precaution to prevent loss or damage to boats stored, but we are not responsible for such loss or damage as may arise from fire, theft, flood, windstorm, or any other conditions beyond our control. Ship to shore radios, depth finders and other types of electronics or valuables should be removed from the boat for safe keeping and to assure their proper operating condition in the spring.
2. No power washing of boat bottoms is allowed by a SRMM customer without the approval of the Harbor Master. No washing, rinsing of inboard motors, or machinery is permitted at any time.
3. Work by contractors in our yards is not permitted, except by prior arrangement with the SRMM management and a copy of said certificate of Liability is supplied to the Marina Office.
4. The SRMM reserves the right to move any boat stored in the water or on land at any time.
5. The SRMM reserves the right to move or relocate trailers as needed.
6. The use of any type of heater is prohibited. Electrical cords may be run to the boat **only when owner is present**. If boat is plugged in and left unattended, this may cause for revocation of storage agreement and boat will be launched for owner to take away without any refund or pro-rata of storage fees paid.
7. "For Sale" signs are not to be posted on boats, as it is an open invitation for anyone to enter the premises at any time on the pretext of looking at a boat.
8. Storage payment: All storage charges must be paid in full prior to summer land storage.
9. In the event that storage charges are not paid within thirty (30) days of the date of billings for same, the boat shall be deemed to have been abandoned under the Abandoned Vessel Disposition Act (NJSA 12:7C:1) and will be subject to sale by auction.
10. Storage season is from no earlier than April 1st to no later than December 1st or any portion thereof (thereafter, winter storage will take effect at the prevailing rate). See the SRMM office for the rates.
11. No refunds or pro-ration applies if boat is in storage only a portion of that time. See the SRMM office for other daily land storage rates. Be advised that a surcharge may apply to boats placed in storage after November 15th, as this is considered a late season haul. All boats must be made ready for Spring Launch by May 30th.
12. All storage rentals are FINAL. The boat owner is aware that they are leasing space for this reason and is not entitled to a refund of any monies paid under this agreement, if for any reason they decide not to, or is unable to use the space rented. The parties recognize that the SRMM need not mitigate any damages in connection with the rental of this storage space.
13. Area around stored vessel is to be kept clean, orderly, and free of extraneous items.
14. If trailer is locked, a key must be given to the SRMM.
