All dogs 7 months of age and older living in the Township of Neptune are required to be licensed pursuant to Ordinance #264 of the Township of Neptune. The current dog licensing period begins on July 1, 2023, and concludes on June 30, 2024. Renewal letters will be sent every year once your dog has been initially registered in Neptune Township. Application and payment must be submitted to the Office of Vital Statistics in person, by mail or online at Neptunetownship.org. The New Jersey Department of Health requires that all dogs must be vaccinated by a licensed veterinarian.

The owner must provide proof of the current rabies vaccination which must extend through at least ten months of the twelve-month licensing period (July 2023-May 1, 2024, or later). Rabies vaccinations expiring before May 1, 2024, will be returned to the owner and the owner must contact their veterinarian for a booster or medical exemption certificate. Application and payments must be submitted to the Office of Vital Statistics in person or by mail. First time online users registering a new pet, click on signed up for a new pet license account then upload or email a copy of your pet's current rabies vaccination to the email address below.
