**Re: College Achieve Public Schools
Block 3101, Lot 2**

Dear Ms. Dickert:

Please find attached another copy of our application to the Neptune Zoning Board. As you know, we represent the Applicant. We are writing to you as we ask to modify our application which is being heard next Wednesday, January 18, 2023. We would like to modify the condition of approval from kindergarten through eighth grade, to pre-kindergarten through 12th grade. Currently, our application asks for kindergarten through 12th grade and we are just adding on prekindergarten due to some recent additional funding which the school received.

Should the Board require anything further at this time, please feel free to contact me. Thank you for your continued assistance and cooperation in this matter.

Very truly yours,
/s/MICHAEL W. HERBERT
